## Welcome to the October Edition of Bleasby News

In this month's edition we have results of the Intrepid Six's foray into Wales – their 'pilgrimage' to Anglesey, the birthplace of Britain's Women's Institute, under the title Routes to Roots. Read all about it in following pages and, if you missed the opportunity to contribute, I'm sure Monica, Rachael, June, Hazel, Nicola or Melanie would be only too pleased to take your money off you – all to aid Nottingham University research into childhood brain tumours.

What else has happened this summer here in Bleasby? Plenty of use has been made of the school field for informal sports activities – just a reminder that the field is only for the use of Bleasby children who have not yet reached the age of 14. And how lovely to see groups enjoying the Glebe Field in many informal ways – a haven in the historic and beautiful heart of Bleasby village. The newly planted commemorative oakwood in the Jubilee Ponds is doing well but keeping some of the JP working party very busy clearing away encroaching growth. More help needed please to keep our wonderful nature reserve in good health for local people and wildlife to enjoy. And, of course, our neighbouring town of Southwell has enjoyed another most successful music festival with glowing reports in the local press and in the Times!

We are very sorry to learn that Colin, our landlord at the Waggon and Horses, is leaving us. More on him further into this edition. Also we have had to say farewell to Lesley and Brian Fellows who have moved out of Northfield House – they are a couple who were very involved in the village, both of them in the local history society, Brian in work at the Glebe Field and the Jubilee Ponds, Lesley in the WI. They will be missed.

## **Bleasby Parish Council News**

Like most villagers, most Parish Councillors take their holidays sometime during the traditional summer recess and as a result there was no Parish Council meeting in August but this did not prevent the continuation of normal PC business.

New councillors attended the Nottinghamshire Association of Local Councils (NALC) training specifically designed for them and the learning there assisted in the deliberations of the Internal Review working party which has been going through the organisation and management of the PC with a “fine tooth comb”. This review will form the basis for the Parish Council Action Plan which will itself provide the council with clear direction and purpose.

The forthcoming (and confusingly called) Parish Plan, however, is very much one that invites total village participation with the purpose of recognising all that is valued in Bleasby Parish, all that might be improved in the village and the ways by which those things could be achieved. Early strategies for the introduction of this important village-wide consultation and engagement have been crystallised by the Parish Plan working party and you will find further details in subsequent copies of Bleasby News.

The management of the village website, set up by the pre-election council through the initiative and management of James Bright, our previous Parish Council Chair, has now been transferred from his capable, but now retiring hands. The website provision is to be progressively developed and a fully functioning service re-established as soon as possible. Further discussions and preparations have been going ahead with regard to the installation of the defibrillator and the adoption of Ferry End, and both will inevitably figure within the Parish Plan.

Just before the holidays began the great amenity value (and asset as a village focal point) of the Glebe Field was amply demonstrated by Bleasby School Friends Association (BSFA) Summer Fair and the Bleasby Bikers’ Welcome Home. From these events several thousands of pounds were raised for charity and the school, whilst those councillors assisting with the event gained much from experiencing first-hand the preparations, needs, complications and demands of such events. This will prove invaluable to the Council’s further management of the site and programme of events.

The Council would be delighted to hear of villagers’ suggestions for the further improvement to our whole parish and its community cohesion, so please, please step forward and become involved in the many parish organisations and opportunities and especially consider playing your role in ensuring that the Parish Plan is truly representative of the views and aspirations of all sections of the community.

*Peter Cast on behalf of the Parish Council*

## Bleasby Women's Institute

We have traditionally (or at least as long back as most members can remember) had a summer barbecue down at Gibsmere Farm, in one of our President's fields. This year was a little different, we were very pleased to welcome Tom and Simon's Kitchen, bringing us gratefully received and warming fish and chips on what turned out to be a very cool July evening. Despite being somewhat chilled and damp, we had a great time.

Just to update you on how our **Intrepid Six** fared on their **Routes to Roots** expedition to mark and celebrate the founding of the **WI** in Britain in September 1915. On Wednesday 9<sup>th</sup> September there was a small party of our members to wave off the six and they had all left Bleasby by 8.00 am and the last pair arrived in Bangor by 7.30 pm on the same day. The whole team enjoyed the experience and have lots of tales to tell.

They travelled without the use of money or their own transport from Bleasby to Llanfairpwll on the island of Anglesey, the place which has the proud distinction to have held the first ever meeting of the Women's Institute in 1915 - the movement, founded in Canada, then spread through the rest of the British Isles. Six members planned their routes and travelled in various ways – Rachael and June were transported by members of each County Federation they travelled through: Monica and Hazel used their bus passes to get there and were extremely grateful to the Welsh bus provider Arriva for allowing them to use their English passes in Wales, and also thankful to Virgin Trains for their free First Class rail tickets for the final leg of their journey: Melanie and Nicola hitched all the way and part of their journey was in a hearse!

The whole team stayed for a few nights on Anglesey with the compliments of a member's family and ended their challenge by walking across the Menai Bridge to have a celebratory lunch at the Llanfairpwll WI hall where it all began in 1915.

As well as engaging in this further dare-devil exploit (some of us remember the outrageous BWI camp-out a couple of years ago) all this will also hopefully raise funds to support the *University of Nottingham's Children's Brain Tumour Research Unit*. Should anyone wish to donate you can do so through [www.virginmoneygiving.com](http://www.virginmoneygiving.com). Just enter Bleasby WI into the site and make your donation – every pound will help researchers to understand this cruel and less understood childhood disease and to find better ways to treat it. Giving remains open until the end of October.

The talk at the September meeting of Bleasby WI had the intriguing title of "John Bishop changed my life", and was a most interesting account by Wayne Brewin of his cycling experiences. In October twenty one members will be off to Denman for an overnight stay at our wonderful college set in the Oxfordshire countryside. Also in October it is our Birthday Party and we will be 93! We were one of the earliest WIs to be formed and we are still going strong – come and join us!

### ROUTES TO ROOTS EXPEDITION 2015

### Harvest at St Mary's

The annual celebration of the harvest will take place at our church of St Mary's on Sunday 11<sup>th</sup> October at 11am.

As part of the traditional celebrations gifts are always welcome. However, these days it isn't the produce of the local gardens and fields that are found most useful but other more lasting foodstuffs which can be passed on to food distribution centres in the area. So, if you are coming to the service, and we hope that many of you will, please bring tins or other such non-perishable items which can be provided to people in need.

There will also be a bring and share lunch after the service – at which food brought by attenders will be shared amongst all those present.

Our new vicar, Revd Philip White, will be taking our harvest service so it will be a good opportunity to meet him.

## Colin at the Waggon

Colin Hussey has been at the Waggon & Horses for more than six years, arriving in April 2009 to take over the pub, bought and refurbished by Trevor Vickers. Previously, Colin had managed a private dining room and bar at a golf club in Sheffield. Running a pub was a new challenge for him and he soon got to grips with it.

Thanks to Trevor and Colin the Waggon remains at the centre of village life, especially at fetes, festivals and village celebrations. Colin has welcomed groups to meet in the pub, opening especially in the afternoon for the Book Group and offering the pub as a display place for the art group. Darts teams and, more recently, a skittles team are based there and, being so close to the church, it is a valued venue for wedding, christening and funeral receptions. The Hunt and Morris Men also take advantage of the Waggon's picturesque position in the village and are welcomed.

There have been some notable successes. The pub has been in the CAMRA Good Beer Guide for 6 years and was finalist in the Nottinghamshire pub of the year on 2 occasions. The Sunday Night Quiz continues to attract good numbers. There have also been disappointments, particularly that the meals side of the business hasn't been maintained due to a scarcity of efficient and willing chefs. With drinks sales down nationally by 7% this is the side of the business that Trevor wants to develop, while keeping the pub as a much-loved "local". Colin has valued Trevor as a friend as well as owner and wishes him every success, hoping the pub will grow and thrive.

Colin retires at the end of October and is looking forward to more time to himself. He is returning to his family and roots in Sheffield and is keeping an open mind on what comes next — something more part-time he hopes. After a suitable break, giving his successor time to settle in, he has promised to visit now and again. We wish both him and Jez well in whatever they do. Colin will be missed by regulars and 'irregulars' alike for his welcoming, easy-going nature, and his interest in village life and the world beyond. We will also miss Jez's cheerful pint pulling!

## Church News

### Baptism

On Sunday August 9<sup>th</sup> at our Holy Communion Service, Emily Jadhav, Ruth and Sachin's daughter, was baptised. The usual congregation was swelled by summer visitors and the Taylor and Jadhav extended families, contributing to a joyous occasion, and Emily responded to her baptism with a rapturous smile. We welcome her into the church family.

### Licensing Service

The Revd. Philip White will be licensed as Priest in Charge of the West Trent Group of Churches at St. Michael and All Angels, Hoveringham, on Wednesday 7th October at 7.30 pm. His first service at Bleasby will be our annual Harvest Thanksgiving Holy Communion, followed by a Bring- and-Share Lunch. This will be a good opportunity to meet Revd. Philip and to welcome him to Bleasby. All are warmly invited to this service and/or the lunch.

### October Services

**It is expected that the usual pattern will hold until the end of October, but all services are to be confirmed. Please check notice boards towards the end of September.**

### Southwell Music Festival

The second Southwell Music Festival was a great success, matching the first one in the quality and variety of the music performed, the scarcity of tickets if you weren't quick enough to snap them up and the enthusiasm of everyone involved.

The festival has been highly praised all round with a superb tribute by Hugh Canning of the Times in which he praises the whole festival, picking out the Schubertiade and Haydn's Seven Last Words as particular highlights and the performance of the Mendelssohn's Elijah (which won a unanimous standing ovation) saying "this was a clear indication that Southwell can already equal, even surpass, more established festivals".

Bleasby was involved in that several of the musicians stayed over the bank holiday weekend as guests of local people and lots of us went to as many concerts and events as we could.

Next year's festival is over the August Bank Holiday once again and something amazing to look forward to.

## **Bleasby Jubilee Ponds**

“A wise old owl sat on an oak,  
The more he saw the less he spoke,  
The less he spoke the more he heard,  
Why aren't we like that wise old bird?”

The Jubilee Ponds provide all parishioners with a beautiful and calming scene full of changing vistas and pleasing experiences. It is a place where we can all seek peace, solace, inspiration and the joy of life. To see the inverted reflections of white puffs of cloud in a deep blue sky and the mirrored images of wind-graced reeds brings a calmness and an opportunity for us all to reflect, like the owl, on all that is good and worthwhile in life.

## **“FINE CELL WORK” - AND DODDINGTON HALL**

On Wednesday 5th August six of us from the Wednesday Sewing and Scrabble group had a day out at Doddington Hall, near Lincoln.

The main reason for going was to see an exhibition of wonderful quilts and needlework entitled “Voices from the Inside”. The organisation behind this exhibition is called Fine Cell Work which was founded in 1997, and trains men and women in prison to do high-quality, paid needlework in the long hours they spend in their cells. Their aim is to enable prisoners to acquire new skills, to earn and save some money and give them a sense of pride which it is hoped will stop them offending when released.

I quote from the information we were given: “The sale of their work gives prisoners a sense of connection with the world outside prison. Currently working in 30 British prisons with up to 500 in each calendar year, and around 270 at any one time, Fine Cell Work specifically addresses key issues affecting prisoners’ offending behaviour: development of work skills, relationships and mental resilience. Taught by experienced volunteers, prisoners in their cell organise their own work and decide how to spend their earnings which establishes a work ethic and creates the opportunity for them to send money out to help family members or to save for their release”.

The quilts, which were displayed throughout the house, were a mixture of colourful, thoughtful, very cleverly designed and beautifully sewn pieces of work. One piece showed an accurately sized cell, seen from above, with bed, basin, loo and desk, with personal items, all embroidered by their owner. It was very impressive.

Unfortunately the exhibition finishes at the end of August, but if there is ever a chance to see some of this magnificent work elsewhere, do take the opportunity to do so. You can find out more at their website [www.finecellwork.co.uk](http://www.finecellwork.co.uk)

## Bleasby Playgroup Competition Winner

As a new playgroup, we really wanted to come up with a logo and name for our group. We decided that the best people to ask for a spot of creative inspiration would be the pupils at Bleasby CofE Primary School.

With the help of Mrs Town and her staff, we launched a competition. The entries that we received were superb, far more exciting than anything we'd hoped for. The only problem was how to choose a winner! We finally chose Elizabeth Woods of Class 4 with her wonderful winning design, "Little Blease Bees".

Congratulations and thanks to Elizabeth and to all the children who put so much effort into their beautiful designs.

## Littering – making it socially unacceptable

A recent survey found out that a majority of people consider littering to be as socially unacceptable as many other anti-social behaviours (drink-driving was cited as an example of a comparable anti-social activity!). And yet it is assessed that more people are dropping litter now than ever before. This is disastrous because – local authorities are being deprived of funds to carry out their core functions, so litter removal has to take a back seat; fast-food, tobacco and drinks companies’ packaging is often not biodegradable and their customers are, of course, the biggest culprits; in addition the government grant to the Keep Britain Tidy campaign group was slashed from £5m to nil in 2010 and there is no national litter strategy.

A number of businesses are backing a clean-up plan and urging the government to “provide or stimulate funding”. Ironically McDonalds is one of these businesses - its packaging frequently appears on Goverton Hill.

Locally we have an additional problem in that we have lost our local recycling centre, causing some of those who don’t want to travel several miles to Bilsthorpe or Calverton to find some quiet land to dump their rubbish on. The closure of “Fiskerton Tip” (as it was known) by the County Council has the knock-on effect of more expenditure for the District Council whose responsibility it is to remove and dispose of fly-tipping.

The cost of keeping streets clean is almost £1billion a year – much of this goes to removing litter. Making it socially unacceptable to drop litter and ensuring businesses take responsibility for the packaging litter they generate must be two of the ways forward.

Tossing a sandwich packet out of the car window costs us! Take it home!

# *Hazelford*

*The Provider of Quality Care*

Our home is situated in a beautiful location with open views of the river and surrounding countryside. With lovely gardens and an abundance of wildlife, this makes Hazelford a delightful location for our residents, to some of whom we offer a short break; for others we become their home.

We pride ourselves in offering a home from home environment with an excellent ethos whereby our residents are involved in the decisions we take. We focus on our residents' aspirations, ideas, views and suggestions.

We have a person centred approach to the care of the residents: this approach is vital to ensure the best possible outcome and wellbeing.

Dementia care is a specialist area: we ensure with sensitivity that the resident is supported continually with person centred care planning, reinforcing daily the aspects of their lives they enjoy to ensure wellbeing and pleasures on a daily basis as, sadly, the previous day may be forgotten.

Our aim is to offer stimulating activities, with one to one time for those who may have dementia: we specialise in this area and our approaches create a relaxed harmonious environment for all.

Our bedrooms are large with views over the countryside and offer a choice of colour and furnishings, personalising them to suit our residents' preferences and choice.

Please feel able to visit our home at any time – a warm welcome awaits you. We encourage families to also have an input into the plans the home may make. We hold family and friends of the home evenings.

With spring and summer comes along a plan of social events: for the summer an annual garden party, summer fair and schedule of outings to various venues.
